A stylized illustration of a person with a blue face and yellow hair, wearing a green shirt and blue pants, carrying a blue suitcase. They are standing next to a black rectangular frame. To the right of the frame is a collection of colorful geometric shapes: a yellow star, a blue circle, a red circle, a yellow circle, a blue triangle, a red triangle, a yellow triangle, and a blue triangle. A speech bubble with three horizontal lines is next to the person's head. The background is white with a few small green plants and a yellow flower.

The screenshot shows a web browser window displaying the Django administration interface. The browser's address bar shows the URL `127.0.0.1:8000/admin/app/food/7/change/`. The page title is "Django administration". The breadcrumb trail is "Home > App > Foods > Rau muống xào tỏi".

On the left sidebar, under the "APP" section, the "Foods" link is highlighted. Below it are "Specials" and "Tours", each with a "+ Add" button. Under the "AUTHENTICATION AND AUTHORIZATION" section, there are "Groups" and "Users", each with a "+ Add" button.

The main content area is titled "Change food" and "Rau muống xào tỏi". It contains a form with the following fields:

- IdFood:** A text input field containing the value "7".
- Name:** A text input field containing the value "Rau muống xào tỏi".
- Rate:** A text input field containing the value "4,0".
- Duration:** A text input field containing the value "9AM - 10PM".
- Image:** A section showing the current image as "rau.jpg" with a "Clear" button. Below it, a "Change:" label is followed by a "Chọn tệp" (Choose file) button and the text "Không có tệp nào được chọn" (No files selected).

At the bottom of the form, there are four buttons: "SAVE", "Save and add another", "Save and continue editing", and a red "Delete" button.

The Windows taskbar at the bottom shows the time as 12:56 CH on 28/10/2023, along with various system icons and application shortcuts.
